

Dr Shyamali DHARMAGE
Epidemiology and Biostatistics Unit,
Senior Research Fellow and Senior Lecturer

☒ - Centre for Molecular, Environmental, Genetic and Analytic Epidemiology,
The University of Melbourne, Department of Public Health,
Level 2, 723 Swanston Street,
Carlton, Victoria,
Australia, 3053

☎ - +61-3-8344-0737

☎ - +61-3-9349-5815

@ - s.dharmage@unimelb.edu.au

EDUCATION

- 2000 - Ph.D, Department of Epidemiology and Preventive Medicine, Monash University, Melbourne, Australia.
- 1995 - Doctor of Medicine (Community Medicine), Post Graduate Institute of Medicine, University of Colombo, Sri Lanka.
- 1992 - Master of Science in Community Medicine, Post Graduate Institute of Medicine, University of Colombo, Sri Lanka. A Gold Medal was awarded for this qualification.
- 1987 - Successfully completed the UK examination for the overseas trained medical graduates (i.e. Professional and Linguistic Assessment Bar) and obtained registration with the General Medical Council, United Kingdom.
- 1984 - Bachelor of Medicine and Bachelor of Surgery, Faculty of Medicine, University of Colombo, Sri Lanka.

EMPLOYMENT

- 2005 - 2009 Senior Research Fellow/ Senior Lecturer (Full Time) , Centre for MEGA Epidemiology, School of Population Health, Department of Public Health, Faculty of Medicine, The University of Melbourne
- 2000 - 2004 Senior Lecturer (full time), Unit of Epidemiology and Bio statistics, School of Population Health, Department of Public Health, Faculty of Medicine, The University of Melbourne
- 1999 - Lecturer (0.2): Department of Epidemiology and Preventive Medicine, Monash University
- 1991 - 1995 Lecturer in Community Medicine, Department of Community Medicine, Faculty of Medicine, University of Colombo
- 1989 - 1990 Registrar in Community Medicine, Department of Community Medicine, Faculty of Medicine, University of Colombo
- 1984 - 1989 Worked as a clinician in different fields ie. Obstetrics & Gynaecology, Paediatrics & Medicine in Sri Lanka as well as in United Kingdom

PROFESSIONAL ASSOCIATIONS

- Nutrition Society of Sri Lanka
- Sri Lanka Medical Association
- Sri Lanka Association of Community Medicine
- Thoracic Society of Australia and New Zealand
- Australasian Epidemiological Association

COMMITTEE MEMBERSHIPS**TEACHING ADMINISTRATION, COMMITTEES AND WORKING GROUPS**

- Co-cordinator of MPH 2001 2003-2005
- MPH Research Report Review working group 2003-2004
- MPH admission working group 2003
- Public Health semesters 8-12 working group (2002-2004)
- Health and Society Review working group 2001-2002
- Health and Society working group 2001-2003
- Department Ethics Committee 2003- 2005
- Health Practice 1-5 review committee 2004-2005
- Faculty Assessment Committee 2001-2005

RESEARCH COMMITTEES

- National Asthma Campaign committee on development of asthma information brochures for GPs and consumers 2004-2005
- Victorian Asthma Foundation Grants Committee 2005
- Advisory Committee on RCT on older fallers. National Ageing Research Institute 2003-2006
- Early Life Exposure International Collaborative Committee within the European Community Respiratory Health Survey 2000-2006

RESEARCH GRANTS & SCHOLARSHIPS

- **Dharmage S**, Jenkins M, Walters EH, Johns D, Abramson M. Risk factors for chronic respiratory diseases in middle age: 36-year follow-up of the TAS. NHMRC \$354,000 (2004-2006)
- Morrison S, **Dharmage S**, Walters EH, Abramson M. National collaborative opportunity: 36 year follow-up of the TAS participants in Queensland. Queensland Asthma Foundation \$60,000 (2006)

- Matheson M, **Dharmage S**, Hopper J. Victorian Asthma Foundation. 8 year follow-up of 60 Asthma Rich Families \$25,000 (2006)
- **Dharmage S**. Jevons T, Indoor allergens and uncontrolled asthma in children. Melbourne Collaborative Grant \$15,000 (2006)
- Matheson M, **Dharmage S**, Hopper J, Jenkins M. Genetic modifiers of environmental risk factors for longitudinal changes in asthma. LEW Carty Charitable Fund \$20,000 (2006)
- Erbas B, **Dharmage S**. Victorian Asthma Foundation. Convoy Kid's Grant. Unravelling the effects of exposure to pollen on childhood asthma. \$20,000 (2005)
- Erbas B, **Dharmage S**. ANZ trust. Unravelling the effects of exposure to pollen on childhood asthma. \$20,000 (2005)
- Marcos J, Walters E H. **Dharmage S**. Chronic respiratory diseases in middle age Northern Tasmanians. Clifford Craig Foundation \$ 99,000 (2004-2005)
- **Dharmage S**, Anderson J, Devapura N. Evaluation of the effectiveness of EBM teaching in a developed country setting: Sri Lanka. International Collaborative Award, the University of Melbourne \$10,000 (2004)
- **Dharmage S** Hill D, Hosking C, Abramson M, Bennett C, Carlin J Victorian Asthma Foundation. Convoy Kid's Grant. Role of maternal and early childhood exposures in atopic disorders in Victorian children. \$25,000 (2004)
- **Dharmage S**, Jenkins M. 30,000 Stage 2: 35 year follow-up of the Tasmanian Asthma Study Helen Macpherson Smith Trust Foundation. \$32,500 (2003)
- Walters H, **Dharmage S**. Royal Hobart Hospital Foundation, Tasmania: Computerisation and analysis of data in 1974 and 1979-1981 follow up surveys in the Tasmanian Asthma Study \$15,000 (2002)
- **Dharmage S**. Victorian Asthma Foundation. Stage 1: 35 year follow-up of the Tasmanian Asthma Study Victorian \$20,000 (2003)
- **Dharmage S**. Ian Potter Travel Award. To attend an international research working group meeting in Bergen, Norway (Early Life Exposure Working Group of the European Community Respiratory Health Survey) \$1,200 (2002)
- **Dharmage S**. Medical Research Grants, The University of Melbourne. Stage 1: 35 year follow-up of the Tasmanian Asthma Study \$ 40,000 (2002)
- **Dharmage S**. Medical Research Grants, The University of Melbourne. Record Linkage of the participants of the participants of the 1968 Tasmanian Asthma Survey. \$ 10,000 (2002)
- Johnston, L., Bucknall, T., Liaw, T, Nolan, T, Campbell, D, Keppell, M, **Dharmage, S**, Faulkner, R, Milne, D, Dunt, D, Lindquist, B. Development and implementation of training resources for the Clinicians Health Channel. Victorian Department of Human Services. \$493,000 2001
- Nabil Sulaiman, **Dharmage S**, Medical Research Grants. The University of Melbourne. Nested case control study on predictors of uncontrolled asthma in GP settings. \$15,000 (2001)
- **Dharmage S**. Research Career Establishment Grant Scheme. The University of Melbourne Disease specific QOL in hospitalised COPD patients. \$15,000 (2000)
- **Dharmage S**, Abramson M Grant: Collaborative Research Award. The University of Melbourne Influence of fungal avoidance measures in asthma. \$9,000 (2000)
- **Dharmage S** Travel Scholarship. Lung foundation, Australia. Seasonal variation in Der p 1 and fungi in Melbourne homes (poster presentation at the TSANZ Annual Scientific meeting). \$1,000.00 (1999)
- **Dharmage S**, Thien F, Walters EH. State Competitive grants. Department of Human Services, Victoria. Efficacy of encasement of bedding in reducing house dust mite allergen & asthma. \$19,960.00 (1998)
- **Dharmage S**. Travel scholarship. Victorian branch of Thoracic Society of Australia & New Zealand (TSANZ). Residential characteristics do influence the house dust mite allergen levels in Melbourne homes (poster presentation at the TSANZ Annual Scientific meeting). \$1000.00 (1998)
- **Dharmage S**. Postgraduate Public Health Research Scholarship (PhD). National Health & Medical Research Council. Indoor Allergens and Asthma. 24,000 per annum for 3 years (1997)
- **Dharmage S**. Alfred Postgraduate Research Scholarship (PhD). Alfred Trust Fund, Alfred Hospital, Melbourne. Indoor Allergens and Asthma. 24,000 per annum for 3 years (declined as the NHMRC was accepted) (1997)

- Dharmage DK, *Dharmage S*. National Competitive grants. National Institute of Health, Sri Lanka. A study to determine the knowledge, attitude and practices of Air Force personnel towards STD. \$60,000 (1994)
- *Dharmage S*. Fernando DN. National Competitive grants. United Nations Children Fund (UNICEF). Influence of Low Birth Weight on the developmental outcome of children. \$100,000.00 (1994)
- *Dharmage S*. University Competitive grants. The University of Colombo. Risk Factors of Acute Lower Respiratory Infections in children under five years. \$7,000.00 (1993)
